ERRATUM

There was an error in the May 2012 Journal article, “Consensus Statement of the Academy of Nutrition and Dietetics/American Society for Parenteral and Enteral Nutrition: Characteristics Recommended for the Identification and Documentation of Adult Malnutrition (Undernutrition)” (pp 730-738). In the Table on page 734, in the Malnutrition in the Context of Chronic Illness, Severe malnutrition column, the first row should read “≥75% of estimated energy requirement for ≥1 month” instead of “<75% of estimated energy requirement for ≥1 month.”
