### Faculty Position Announcement

Posting Date: December 18, 2017    Posting End Date: Until Filled  
Position: Director Dietetics Program in Food and Nutritional Sciences  
Location: College of Agricultural, Environment and Nutrition Sciences/FNS  
Status: Full Time

#### Special Qualifications

In keeping with the President's commitment to Tuskegee University becoming an "Outcomes-Oriented University," the ideal Director will possess the willingness to use their expertise to assist in the university's efforts to be a sustainable academic organization committed to excellence.

Tuskegee University's 2015-2020 Strategic Plan <http://www.tuskegee.edu/strategicplan>

Presidential Commentary [http://www.tuskegee.edu/about\\_us/administration/the\\_washington\\_digest.aspx](http://www.tuskegee.edu/about_us/administration/the_washington_digest.aspx)

#### Essential Job Duties and Responsibilities

- Engagement in scholarly and professional dietetics activities
- Teach foods and nutrition courses and coordinate curriculum development and maintenance.
- Provide instruction, guidance and materials needed for the process of applying for supervised practice programs, maintain a student advisement plan, report requests for major program changes
- Make program outcome data available upon request
- Ensure compliance of the DPD curriculum with updated ACEND knowledge requirements for dietitians and coordinating an annual review of the curriculum
- Communication and liaison with ACEND, regular meetings with teaching faculty, departmental chairperson, current and prospective students, submission of required reports to ACEND
- Assessment, planning, implementation and evaluation of the DPD.
- Recruit potential students both on and off campus and provide advisement to students
- Maintain communication with alumni
- Research-Extension with interdisciplinary teams
- The DPD Director is responsible for internal evaluation of the program by implementing DPD goals, ensuring that outcomes assessment measures are utilized, and directing the use of the evaluation outcomes to make required changes in the DPD.

#### Qualifications

##### Education

- The DPD Director should hold a Ph.D. or M.S. Degree in nutrition and be a Registered Dietitian with active registration by the Commission on Dietetic Registration.

##### Experience

- The DPD Director will have a minimum of three-five years professional work experience in dietetics including college/university level teaching experience. The ability to support continued accreditation of departmental programs is critical.

#### Salary

Commensurate with education, training and experience; **Salary is contingent upon outside funding.**

### Tenure-Track, Associate or Full Professor Program Director, MS in Nutrition and Dietetics Program Human Nutrition, Foods, and Exercise, Virginia Tech

The Department of Human Nutrition, Foods, and Exercise (HNFE; <http://hnfe.vt.edu>) invites applications for a 9-month (AY), tenure-track faculty appointment at the level of Associate or Full Professor, and Program Director, MS Program in Nutrition and Dietetics. An administrative stipend will be provided for the summer months. Responsibilities include program administration (33%), research (33%), and teaching (33%). We are seeking a visionary leader to direct a new Master of Science graduate degree program in Nutrition and Dietetics to prepare students to become Registered Dietitian Nutritionists. The 17-month, non-thesis MS program emphasis will be Nutrition Counseling & Behavior Change. A research program that complements the Master of Science program is required. Responsibilities will include instruction of up to three (3 cr.) graduate courses per calendar year, supervision of the Assistant Director and other program staff, coordination with the Director of the Exemplary Program award-winning undergraduate Dietetics Program, conducting research, graduate advising, and service. Requirements:

- Ph.D. in nutrition/related field;
- The RD/RDN credential with at least 3 years experience;
- Member of the Academy of Nutrition and Dietetics;
- Experience in an ACEND-accredited dietetic education program;
- History of refereed publications;
- The ability to work independently and collaboratively on research;
- Demonstrated ability to secure extramural funding to maintain an active research program;
- Demonstrated ability to successfully train graduate students;
- Outstanding written and verbal communication skills;
- Commitment to innovative dietetics education.
